Presenting

SIMON GRATZ High School was opened in September, 1927, and dedicated on Armistice Day, 1928. Its gray cathedral-like structure and high towers are impressive. It is built of yellow-gray brick and styled after English Gothic architecture. Gratz accommodates 3500 to 4000 students. It is equipped for academic, commercial, mechanic arts, home economics, and industrial course students. The building has a fine auditorium, library, gymnasiums, lunch rooms, and locker rooms. As we grew, we organized a Student Government, excellent athletic teams, and a notable school paper, "The Spotlight."

Our first principal, Mr. J. Elwood Calhoun, served until his death in 1938. Under Dr. E. Carl Werner, our present principal, the school has continued to grow, developing a friendly and cooperative spirit.

Thousands of students have received an education not only in community living but have also helped in the shaping of a democratic way of living.

PRINCIPAL

DR. E. CARL WERNER

TO THE CLASS OF JANUARY 1949:

Recently I came upon the following quotation from an essay by Joseph Addison, the English essayist, in the SPECTATOR in 1711:

"Education is a companion which no misfortune can depress, no crime can destroy, no enemy can alienate, no despotism can enslave. At home a friend, abroad an introduction, in solitude a solace, and in society an ornament. It chastens vice, it guides virtue, it gives, at once, grace and government to genius. Without it, what is man? A splendid slave, a reasoning savage."

These lines were written nearly two hundred and fifty years ago, long before we had free public school systems. The opportunity to obtain an education was at that time restricted to those fortunate enough to possess the means to afford it. Today, we hope to extend the opportunity of a high school education to all American youth.

Addison evidently held education in very high esteem. He has chosen his words well. His statement on Education is certainly very clear and thought provoking.

I hope that your years at the Gratz High School have given you in large measure the guidance and training necessary to develop your personality and abilities to the fullest extent possible, and that your regard for Education will be no less than the value placed upon it by Addison.

I congratulate you on your graduation and wish you success and happiness.

Sincerely yours,

E. Carl Werner

JANE McCLEARY

TO THE CLASS OF JANUARY 1949:

On the evening of your commencement you will receive treasured diplomas which possibly may be put away and never referred to again. But the real diploma is the demonstration in your daily lives as graduates of the value of a high school education and the difference it can make in the life of a young person.

That you will each be this "living" diploma in the happiest and truest sense of the word is my earnest wish for you.

Sincerely,
Jane McCleary

VICE-PRINCIPALS

TO THE CLASS OF 41-49:

I wish to congratulate you on your achievement in being graduated from Simon Gratz High School. May you be adequately prepared with the facts, knowledge, and skills necessary for success.

May you be fortified with the character training and moral sense necessary for happiness.

STUDENTS ASSOCIATION

"The virtue lies in the struggle, not the prize."

ONE of the main features of Gratz is the well-functioning Students' Association. Miss Laura M. McAllister has devoted génerous amounts of her time and energy to guarantee its success. She is always cheerful and ready to help anywhere, any time.

Democracy is illustrated in the election of officers by members of the student body, and by the activities of the Senate and Court. We at Gratz have had the rare opportunity of experiencing a miniature democracy of our own.

Standing: Bernard Rosenberg, Ted Beaumont, Shirley Rosenberg, Joseph Leone, Willard Gillum.
Sitting: Sara Rushing, Doris Cardwell, Joyce Graff, Earl Starr, Leon Smith, Alice Kelly, Julia Mae McFadden.

SENATE

The Senate is one of the principal bodies of the Students' Association, consisting of representatives from every grade, plus two vice-presidents and an S. A. president, all of whom are elected by the members of the S. A. It is here that our school's many clubs are chartered. The Senate has also assisted greatly in such humanitarian causes as the Red Feather and the Red Cross.

Its members have always endeavored to fulfill the wishes of the student body.

This term, under the leadership of Earl Starr, our S. A. president, the Senate has had a very successful term, and the members of 41-49 sincerely wish to thank it for its excellent work.

COURT

The Court is the leading judicial body of our school government. Together with its assisting organizations, the Five Foot Femmes, the Six Footers, and the Monitors, it strives to maintain order throughout the school.

It sees that all school regulations are enforced and makes sure that all violators are given a fair trial.

Although violators are punished by the Court, this is not the Court's main purpose, for it endeavors to show offenders that in a democracy laws must be made to establish order and well-being for all.

Front Row: Sophie Gerczyk, Florence Asness, Edith Stern, Renee Kitchner, Miss Marion Haldeman (Sponsor), Diane Resnick (President), Stephanie Hirsch, Frances Helmus, Jennye Thomas.

FIVE FOOT FEMMES

One of the organizations working hand in hand with the Court is the Five Foot Femmes, a group of senior girls, not necessarily five feet tall, who are chosen by the Court chiefly for their scholastic rating and service to the school.

Each member is expected to go on duty every day during the last fifteen minutes of her lunch period, in order to maintain order throughout the school. The members also usher at evening affairs.

This year's group, sponsored by Miss Marion Haldeman, is one of the largest we have ever had and has proved very efficient.

SIX FOOTERS

The organization known as the Six Footers is chosen and functions exactly like the Five Foot Femmes.

They, too, make certain that school regulations are enforced.

They serve as ushers at evening affairs. The group consists of senior boys only, who are chosen for their scholarship and service to the school.

Under the guidance of Mr. Raymond Hood, their sponsor, the boys have really done an excellent job.

Top Row: Leonard Brewer, Charles Manley, Lionel Prince, Robert Lannon, Marvin Sackner, Ralph Marion, Norman Brody, Roosevelt Smith.
Middle Row: Paul Brockman, Willard Gillum, Alva Hom, Donald Williams, Harold Jones, Joe Bogus, Henry Friedman, George Lance.

HONOR SOCIETY

Back Row: Robert Lannon, Willard Gillum, Marvin Sackner, Norman Brody, Alva Hom.
Front Row: Shirley Fischer, Henrietta Greenberg, Bernice Sofian, Jacqueline Perkins, Renee Kitchner, Stephanie Hirsch.

Several terms ago our school was greatly honored by having a chapter of the National Honor Society established at Gratz. Known as the Rebecca Gratz Chapter, it has aided both our own school children and children of foreign schools. The members of the Honor Society are chosen by the Honors Committee for their outstanding scholarship, leadership, and service. The members offer free tutoring service to the students in many subjects.

Under the supervision of their sponsor, Mrs. Elizabeth Keltz, they have raised funds for the adoption of a school in Holland, and have also sponsored campaigns for Christmas gifts to be sent to European children.

It may well be said that the organization has aided our school in many ways.

COLOR GUARD

Gratz's Color Guard and Band are two groups which made us very proud that we came to Gratz. What a thrill to see the Cherry and White gallantly parading down the field before game time!

Their perfect formation and inspiring music really brought out the true spirit of all loyal Gratzonians. Playing in perfect harmony, marching in perfect step, clad in eye-catching uniforms—all this together has made the Gratz outfit one of the best high school bands in the city

BIOLOGY CLUB

The Biology Club, under the leadership of Dr. Weierbach, is studying Conservation of Our National Resources. At times the club takes part in out-of-town conferences. The work is interesting and valuable.

Front Row: Mildred Roth, Earlee Gray, Dolores Heckenberger, Stephanie Hirsch, Barbara Boor, Dr. Weierbach (Sponsor).

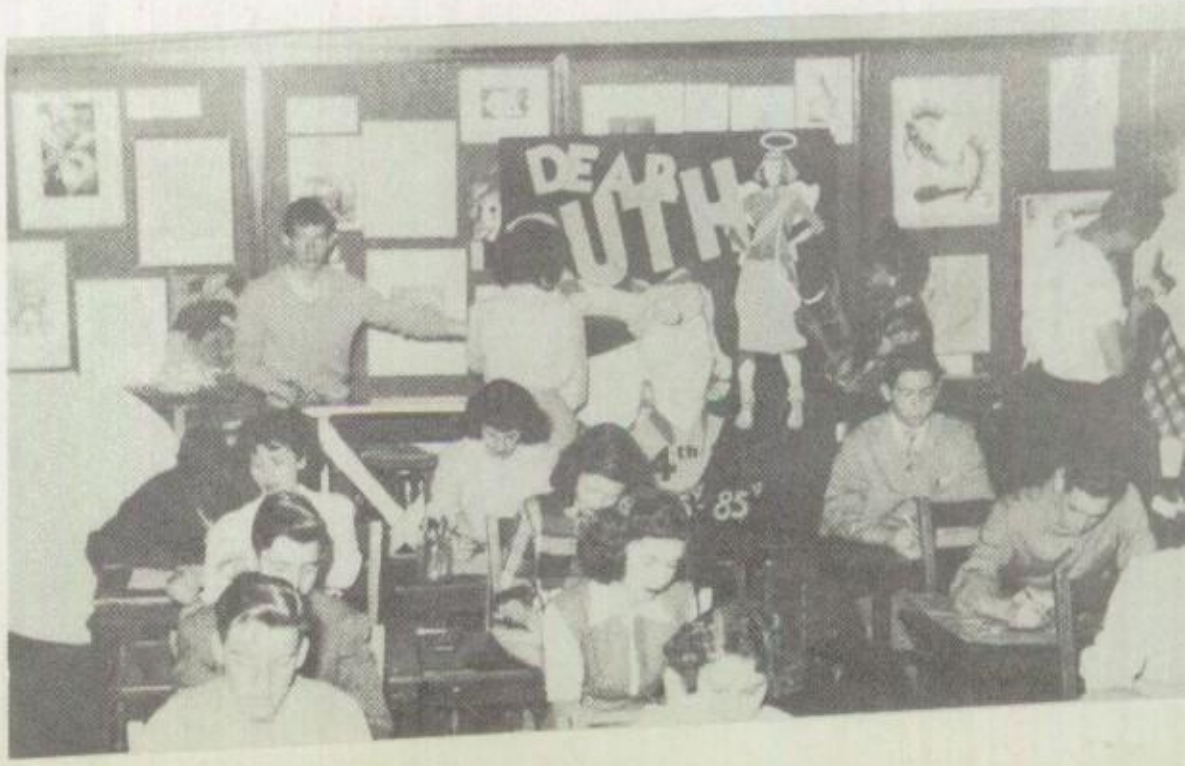
SCIENCE CLUB

The Science Club was recently organized by Mr. Albert Goldfarb. Interesting projects and experiments are carried out. This term the project is photography, developing, printing, etc. Another activity is glass blowing. Experiments, such as chemical analysis of soap, and others parallel to manufacturing industries are worked out.

Back Row: Sandra Melazar, Mary Young, Nancy Bernard, Sheldon Markind, Norman Brody, Henry Friedman, Marvin Sackner. Front Row: Frances Bates, Alexandria Schilling, Bernice Friedman, Harriet Gruber, Katherine Young Mr. Goldfarb, Harry Ptashkin, Alva Hom, Samuel Himmons.

OIL PAINTING CLUB

One of the most creative extra-curricular clubs at Gratz is the Oil Painting Club sponsored by Mr. Robert D. Goldman. This club affords all those interested in art an excellent opportunity to develop their talents along this line. Many of the members of the club have turned out excellent work in oils. The opportunities offered are unlimited. Working in oils proved to be one of the best methods of artistic expression.



DEBATING CLUB

Back Row: Richard Coran, William Akers, Sandra Melazar, Marcia Herman, Bernice Frieman, Helen Leshner.
Front Row: Miss Ruth Arthur (Sponsor), Doris Oshtry, George Alexander, Edwin Hymovitz, Marlyn Rubenstein.

The Debate Club, under the guidance of Miss Ruth Arthur, and presided over by George Alexander, has started a very busy season of interscholastic debating. The topic of the first team is "Resolved: That the Federal Government provide free medical care for every citizen at public expense." The second team topic is "Resolved: That capital punishment should be abolished."

The Debate Club is the offspring of a public speaking class and still emphasizes oratory and general argumentation. Its purpose is to improve the public speaking and logical thinking of its members.

DRAMATICS CLUB

Top Row: Robert Wireman, John Lash, Michael Kurtzman.
Middle Row: Dolores MacLachlan, Mazie Freeman, Edith Segal, Beatrice Edmonds.
Front Row: Louise Pakan, Naomi Mickelberg, Audrey Raditz, Barbara Telanoff, Marcia Seiderman, Ann Weiner.

The Dramatic Club, under the supervision of Miss Katherine Keenahan and Mr. Leon Lewis, has done a great deal in bringing out much of the hidden talent in our school. It has served as an excellent opportunity to those interested in dramatics to further develop their interests in this field.

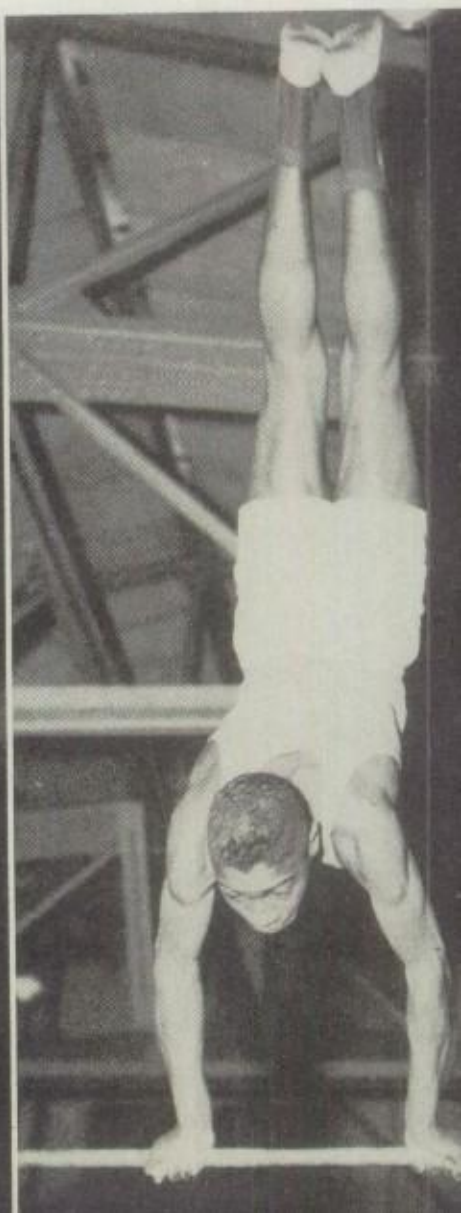
Not only has it given students the chance to act, but it has also provided experience in radio work and script writing.

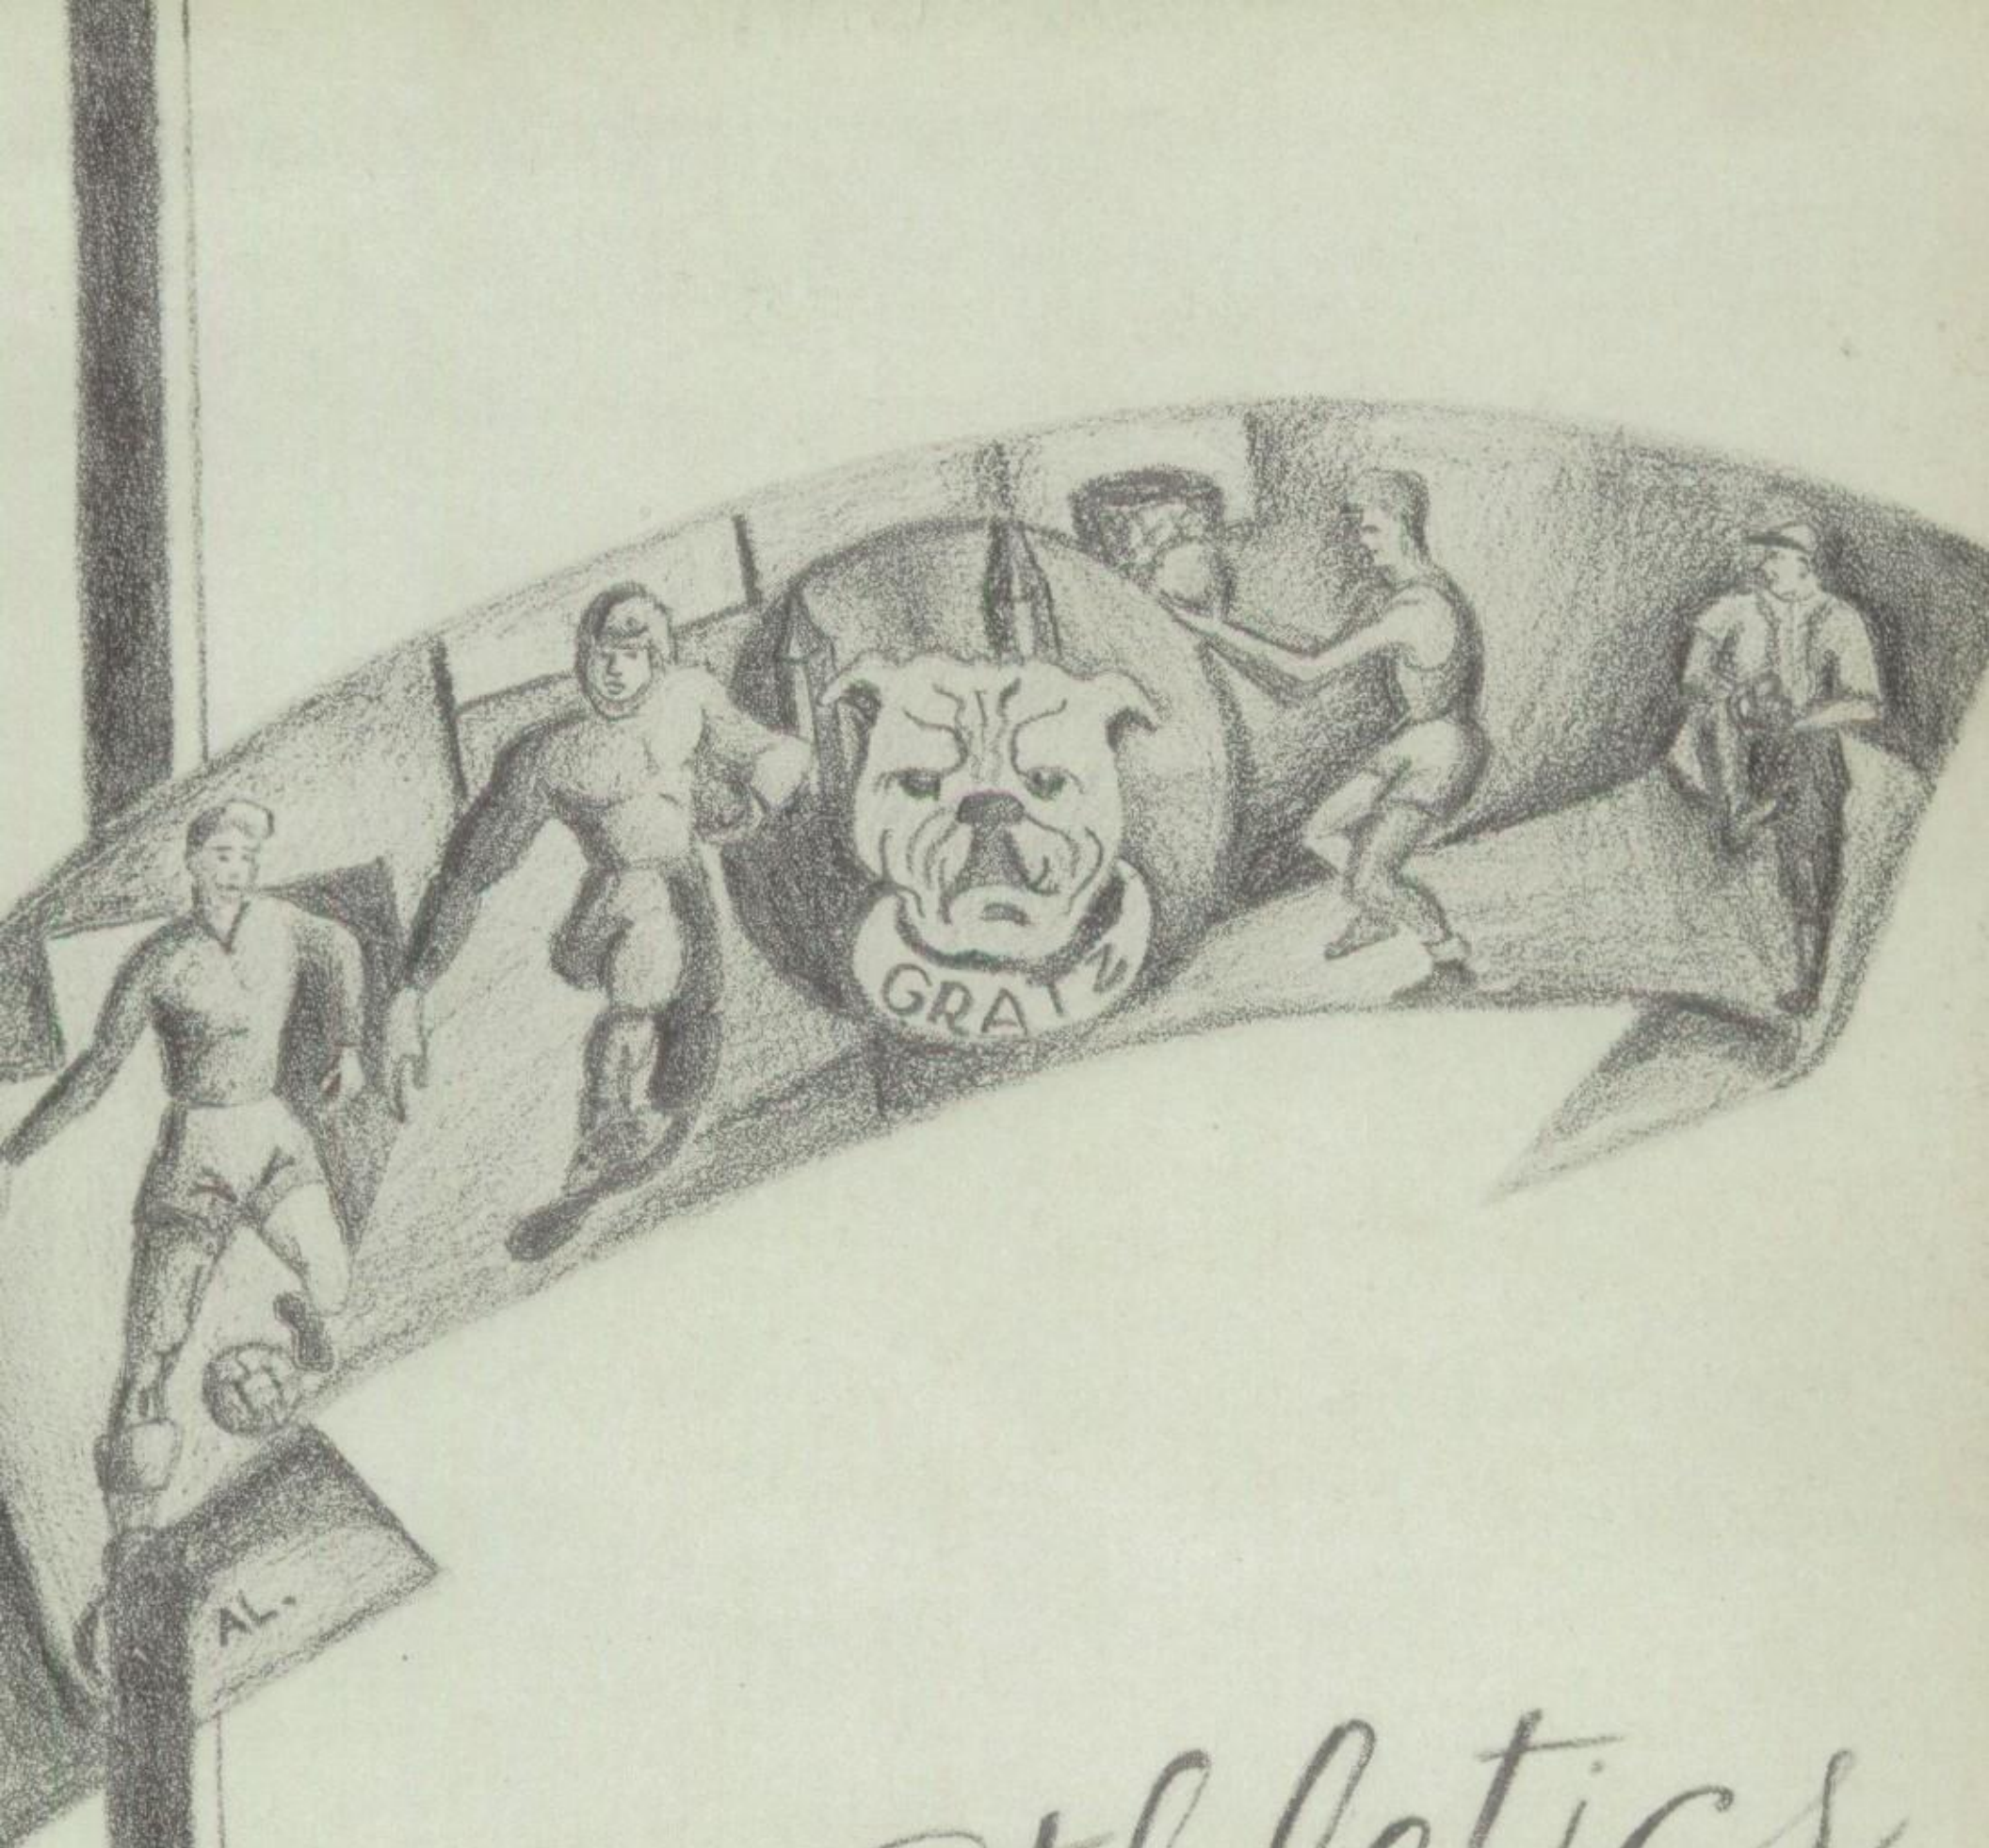
The Dramatic Club's productions have been greatly enjoyed by faculty and students alike. The play, "Dear Ruth," is to be given on December third and fourth.

GYM TEAM

Top Row: Carter Kirby, James McCrae, Matthew Copeland, William Moranec, Richard Adams, George Kelly, Carl Gier.
Middle Row: Michael Barrilli, Edwin Chapman, Fred Gingher, Arthur Steinberger, Nathaniel Dixon.
Bottom Row: Martin Macellus, Charles Roller, Paul Regan.

After years of inactivity the gym team was reorganized last season under Mr. Ciarochi. He is well pleased with the improvement of this year's team, and was satisfied with last year's results. Mr. Ciarochi says that it takes at least three years to make a good gymnast, because the members of the team must have special training. These boys are striving to compete with other school gym teams. We know that due to hard work and capable coaching they will give Simon Gratz a splendid team.





athletics

"By sports like these are all their cares beguil'd."

CHEERLEADERS

Our games would be incomplete without our cheerleaders to spur us on. Our splendid victories this year are no doubt influenced by these vigorous co-eds. Shirley Soliday is their capable leader.

Back Row: June Nicholson, Charlotte McGlone, Sara Rushing, Jean Barry, Dorothy Stabelski, Elaine Przeworski, Barbara McClemmy, Jacqueline Hazell, Jean Fortunato, Alice Johnson, Edith Capitanio.

Front Row: Jean Povoluski, Loretta Coletti, Shirley Soliday (Capt.), Joyce Blackwelder, Myrtle Dunn, Reba Shelton, Candy Chazin, Sophie Gerczyk, Margaret Walsh.

Mr. Raymond Hood, Mr. Joseph Oser (Sponsor), Mr. Martin Sklar.

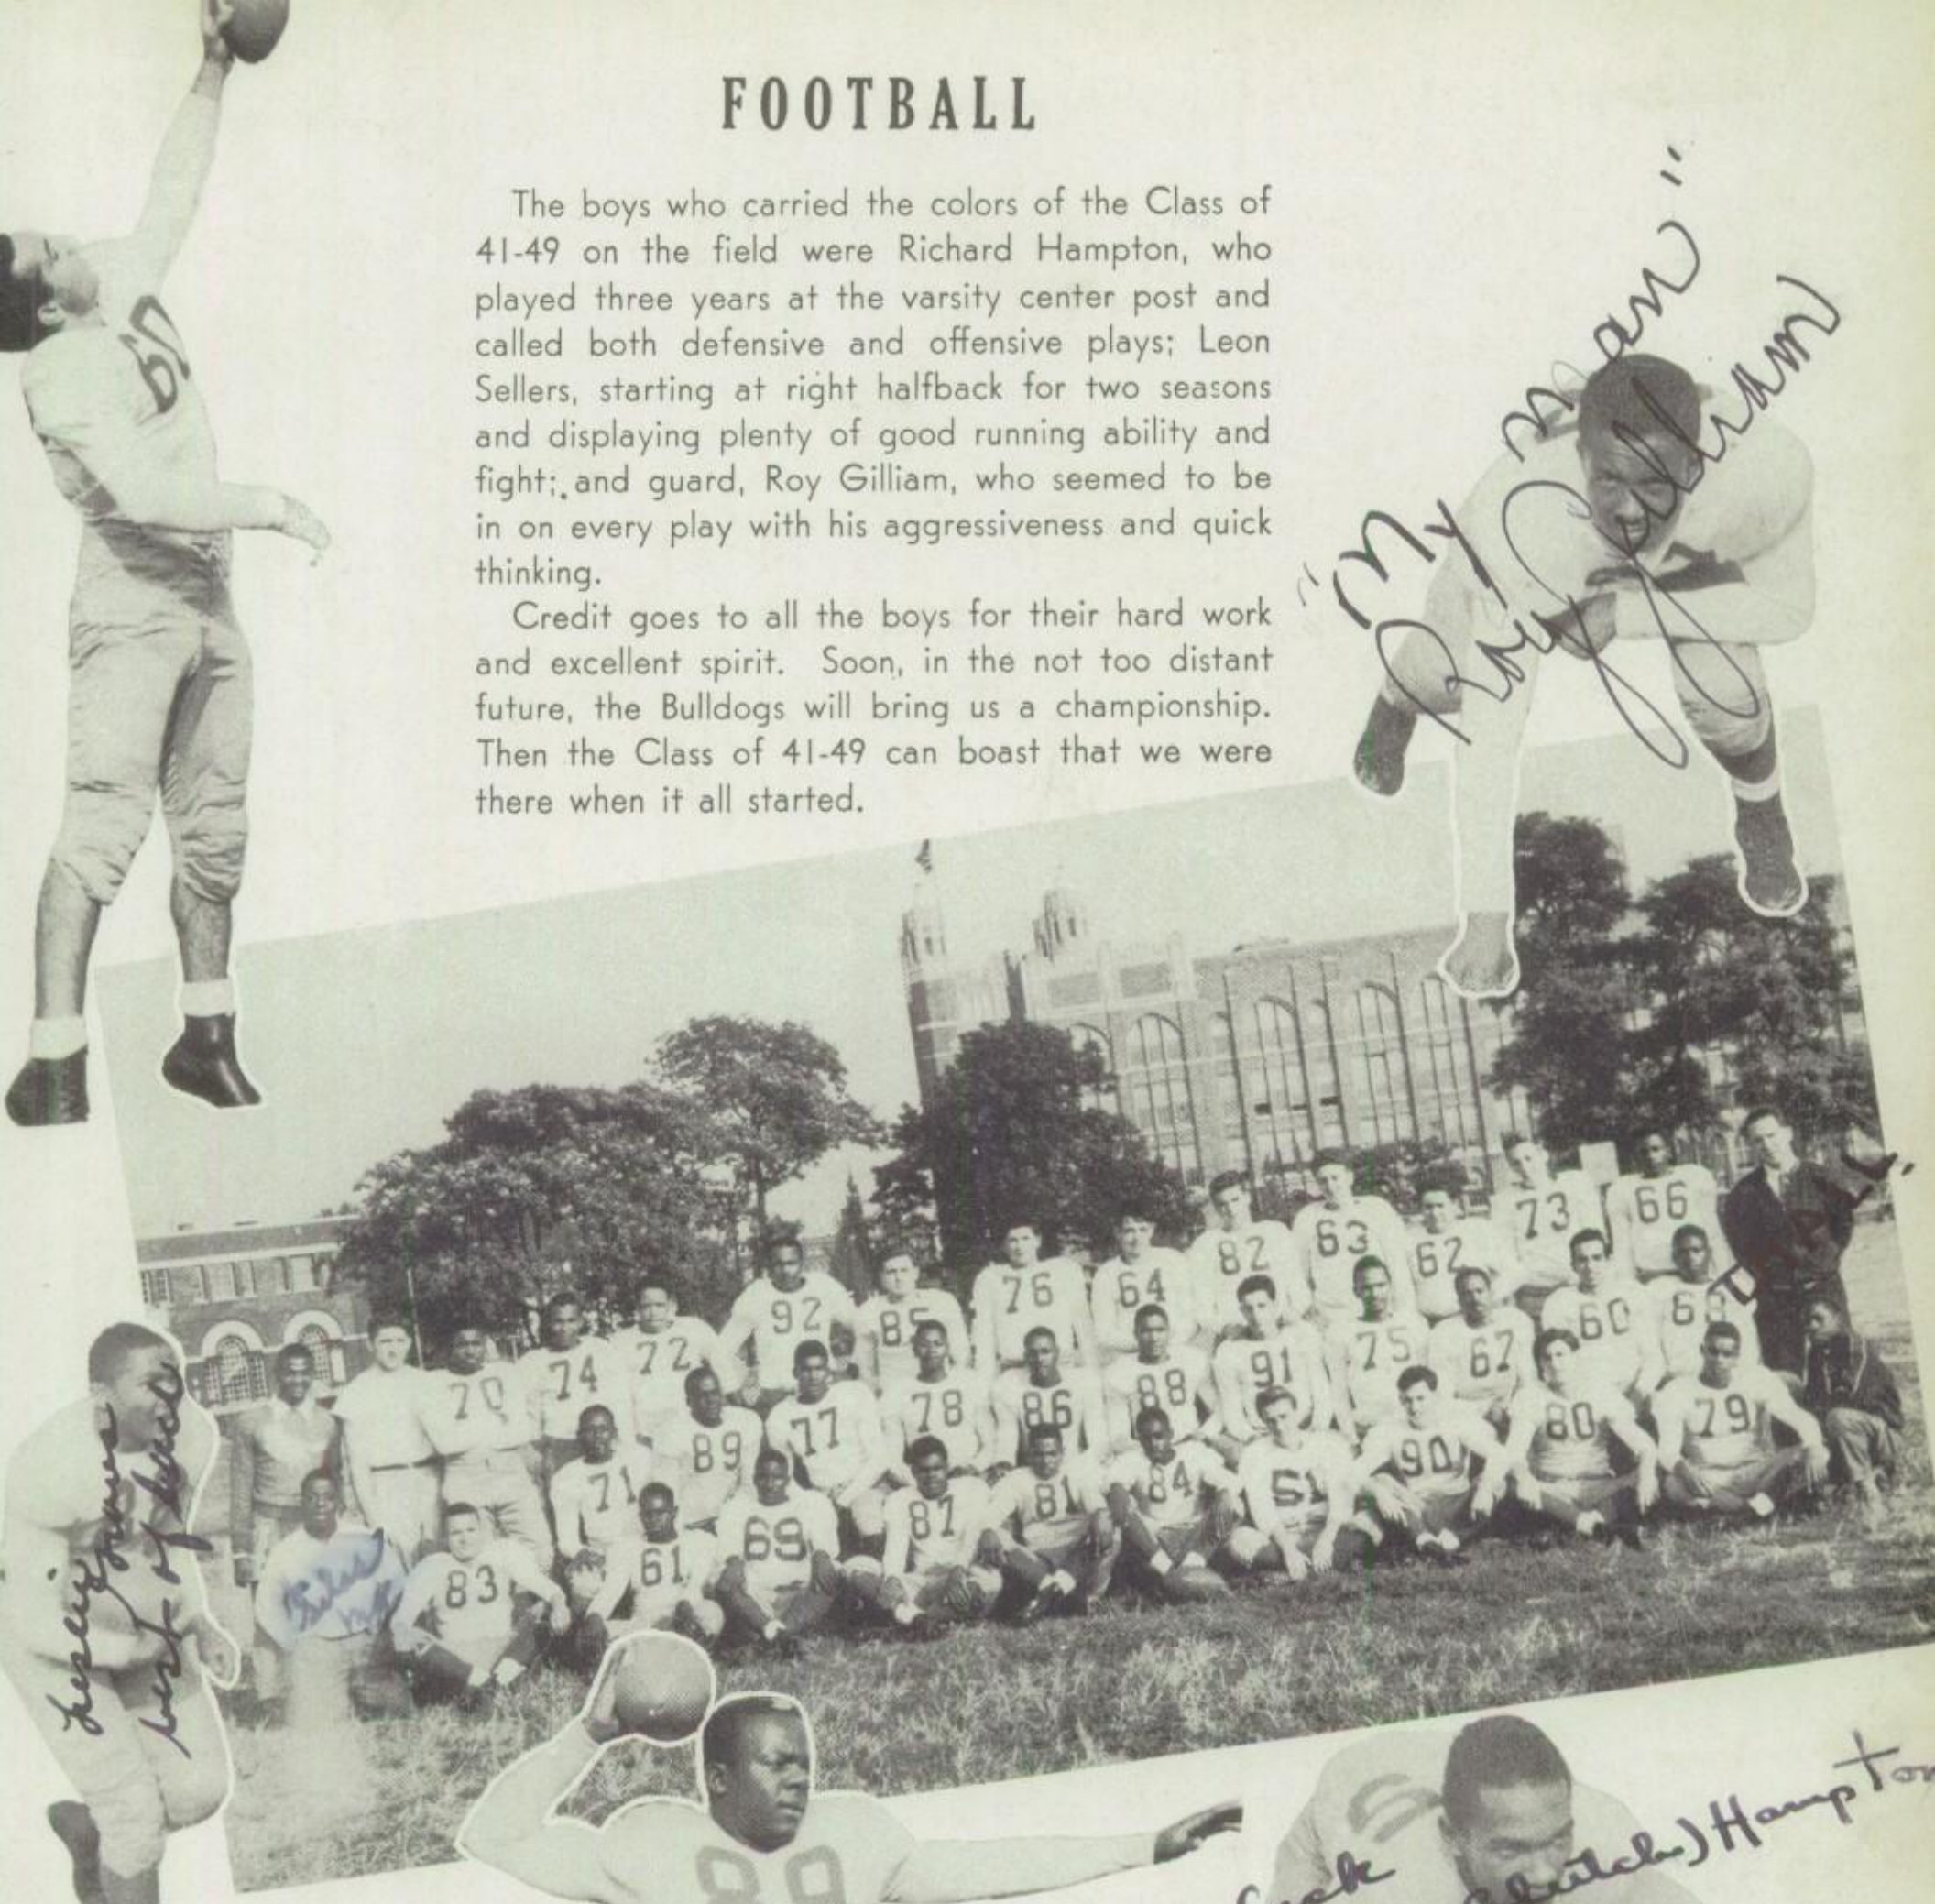
ATHLETIC ASSOCIATION

Our Athletic Association is an organization to help the students operate their athletic activities on the same democratic basis as the Students' Association. The Association is comprised of a representative from each homeroom and an Executive Council of two representatives from each grade. Mr. Joseph Oser is head of the Athletic Association, with Mr. Raymond Hood and Mr. Martin Sklar as assistants. Willard Gillum and Marie Magiera are the 12B members of the Executive Council.

FOOTBALL

The boys who carried the colors of the Class of 41-49 on the field were Richard Hampton, who played three years at the varsity center post and called both defensive and offensive plays; Leon Sellers, starting at right halfback for two seasons and displaying plenty of good running ability and fight; and guard, Roy Gilliam, who seemed to be in on every play with his aggressiveness and quick thinking.

Credit goes to all the boys for their hard work and excellent spirit. Soon, in the not too distant future, the Bulldogs will bring us a championship. Then the Class of 41-49 can boast that we were there when it all started.



Back Row: George Lance (Manager), Mr. Andrew Wolfrum (Assistant Coach), Leon Sellers, Barney Bishop, Frank Peat, Lawton Martin, Stan Abrams, Eliot Gittlemacher, Thomas Fenley, Bob Shecter, John Reber, Fred Manna, Dick Lobron, James Smith, Mr. W. R. Augustin (Coach).

Front Row: Edwin Gittlemen, Walter Marshall, Daniel Goffredo, Earl Starr, Stanley Lev, Joseph Ryan, Richard Coran, John Beccaria.

SOCCER

Good Luck
Walt Szyurek

Under the able coaching of Mr. Edwin (Pete) Lorenc the Cherry and White Soccer Team had a successful season.

Not enough credit has been given to the terrific play of our "Bulldog" booters, led by our fullback and captain, Walt Szcurek. The squad had nine returning lettermen. Eight new boys aided in the successful results. With their fine spirit and aggressiveness and with most of the boys returning next season, Gratz can look forward to another fine team.

Back Row: Mr. Joseph Schweitzer (Coach), John Preston, James McCrae, Carl Gier, Alvin Isenberg, William Tate, Rudolph Dutzman, Richard Manley, Stanley Halpern, Robert Coates.

Front Row: Fred Ochs, Charles Manley, Bernard Finizio, Joseph Leone, Leonard Brewer, Robert McCrae, Warren Smith, Carl Burwell, George Mayers.

CROSS COUNTRY

Good Luck
Bob McRae

After years of inactivity the Cross Country Team was revived last year and built itself up to beat three teams in the championship race. The team made another good showing this year even though most of the boys were new to the sport. It was due mainly to the great spirit of the boys on the team and the fine coaching of Mr. Joseph Schweitzer.

Standing: Mr. Shegog (Coach), Charles Chavis, Charles Manley, Meyer Shulick, Morris Ostrow, John Reck, Richard Lash, K. Ellis (Manager).

Kneeling: Robert Faranda, Alvin Isenberg, Burton Silverman, Morton Tate, Seymour Brockman.

BOYS' BASKETBALL

The Bulldog quintet has always made a good showing in the Public League circuit and last year enjoyed one of its most successful seasons. Inspired by the sensational play of Captain Burt Silverman, who set a new Public League scoring record, and the great fighting spirit and fine play of the team, the Cherry and White five was in the thick of the championship race. They were just nosed out of the playoffs. Two members of the Class of 41-49 form the nucleus of this year's squad. Coach Shegog must look to the second team to fill the gaps left by the departing Seniors. Although inexperienced, Gratz can be assured of an aggregation that will fight to keep the name of Simon Gratz near the top in the Public League standing.

In their senior year the boys came within a hair of winning the championship, losing to the Champs—Southern, 1 to 0. They showed their greatness in beating the other title contenders—Frankford, 3 to 2, and Northeast, 3 to 0. On Color Day Olney was severely trounced, 13 to 2. In the last game of the season against Bok, which was beaten 10 to 0, Jack Larson, a member of the Class of 41-49, pitched a no-hit, no-run ball game. Many major league scouts have been on the trail of the "Ace" and no one will be surprised if he is a major leaguer in the near future.

Charles Apsche, Roger Arcay, George Balch, John Balch, Seymour Brockman, Charles Boyer, Charles Chavis, Stanley Cieslik, Thomas Dooney, Robert Faranda, Isadore Freedman, Leslie Graves, Jack Larson, Charles Manley, Delbert Marshall, David McGinley, Richard McMaster, Harry Morrison, Robert Nathan, Fred Ochs, Donald Paine, Robert Perloff, John Reck, Burt Silverman, Earl Starr, Alec Washco (Coach).

Third Row: Phyllis Bolno, Marian Tucker, Marian Tucker.
Second Row: Zelma Rich, Helen Harris, Dorothy McCurdy, Barbara Bulmer.
First Row: Libbie Goodman, Delores Kauffman, Hazel Hendren, Claire Benedict, Phyllis Reindle, Rose Chapparone.

Front Row: Roslyn Cohen, Jeanne Kimble, Hazel Hendren, Phyllis Reindle, Rose Chapperone, Phyllis Bolno, Carmela Tedeschi.

SOFTBALL

Phyllis Reindle, our outstanding girl athlete, is unusually good. The girls on the team play well and have lots of spirit. Two games took place on Play Day in Fairmount Park. All schools participated. Outstanding girls on this team are Claire Benedict, Marilyn Hofkins, Dolores Kauffman, Marian Tucker.

Front Row: Delores Kauffman, Hazel Hendren, Claire Benedict, Phyllis Reindle, Rose Chapperone.
Back Row: Zelma Rich, Lois Thomas, Libbie Goodman, Dot McCurdy, Helen Harris, Marian Tucker.

CLASS HISTORY

"Light is the task when many share the toil."

FRESHMEN—The growth and development of the Class of 41-49 may well be compared to the construction of a ship from the drawing of the blueprints to the completion of the superstructure and the sailing of the vessel into the sea. In February 1946 the best materials from the junior high schools were gathered together and placed under the direction of a good construction company, Simon Gratz High School.

We shall always remember that day, when, as awkward youngsters, we assembled in Gratz's large auditorium. Immediately upon arriving, we were given our freshman issue of the "Spotlight" with welcoming messages from our principal, Dr. E. Carl Werner; our sponsor, Miss Lillian Graf; the S. A. President, and the Chief Justice. As we quieted down, we were introduced to Dr. Werner and Miss Graf, from whom we received a pleasant reception. We then met the various department heads and teachers who were to become our advisors, teachers, and friends. The mysteries of homerooms, rosters, changing classes, and doing lessons when only in the mood, were all over at the end of the first report period.

Through democratic elections we were given the opportunity to participate in the school government by means of petitioning, and elected our 10A Senator, Earl Starr.

Thus the blueprints had been drawn and the construction was ready to begin.

SOPHOMORES—"Bulldogs Beat Dobbins; Kelly scores." The glory and loyalty of the football season began with the first victory in four years. Noted for enthusiastic support of our team, we held our heads high even when we didn't win. Our first football game found us in the swing of things. We knew the cheers, went to games, and were no longer considered freshmen.

Election time! Our 10B Senator was Jack Larson. This term was a very eventful one. Students from Oak Ridge, Tennessee, toured Philadelphia and visited Gratz High. The president of the Oak Ridge Student Council gave us the facts about Atomic Energy, which was in the mind of every pupil at Gratz.

During this term our Dramatic Club put on the plays, "The Rivals," and "The Wedding." These excelled because of the dramatic ability of members of our class.

Although our team fell down in the middle of the term, we came back to a scoring finish. We beat Olney for the first time since 1942.

JUNIORS—The framework of the ship was complete and its interior was being fitted in preparation for the coming launching.

Earl Starr and Renee Kitchner acted as our representatives in the Senate.

Then came the well-known dramatic production,

"The Cat and the Canary." The thespians from our class were Anne Weiner and John Lash. The talent of many of the students was displayed magnificently in this production, and it was a huge success dramatically, socially, and financially.

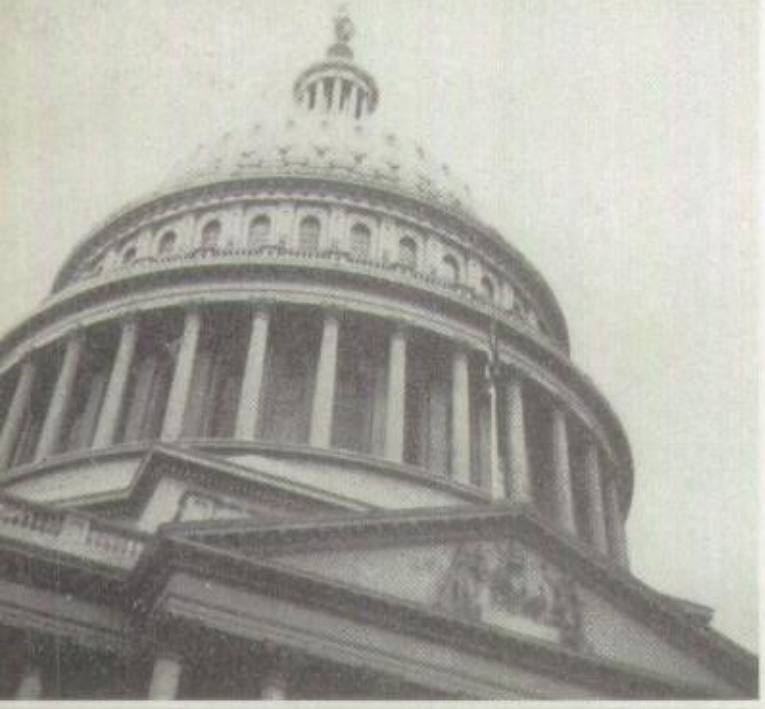
Our tennis season started off with a bang. Our class was represented by Lionel Prince.

The Literary Issue of the "Spotlight" came out that term with nine articles written by members of our class.

After two glorious vacation months, we straggled back to school as 11B's. We started the term as usual by electing our officers.

This term was a very important one in Gratz's history. It was the Twentieth Anniversary of the Simon Gratz High School. Our celebration was divided into four parts. The first event was Parents' Night; the second was the Gratz-Dobbins football game; the third was our Special Assembly, and the fourth was the main event, the pageant. Members of our class participating were Donald Myers, who worked on the scenery; Edwin Hymovitz, who portrayed Eugene List; Sophie Gerczyk, who danced; Ellen Meinberg, and many others. George Arcay, Joe Bogus, and Delores Nichols played in the band. The proceeds of the show were contributed toward a War Memorial.

An outstanding assembly was on November 27, when the Mormon Choir members presented us with an entertaining program of vocal music.



On the scholastic side, we'll never torget "Lincoln, Whitman, and Democracy." Acquiring a taste for Whitman was like acquiring a taste for olives. Once you get to like them, you enjoy them.

Also during our 11B term, those who had not yet purchased their school rings were given a chance to do so through the school.

SENIORS—The vessel was almost completed. With the launching date in sight, the crew had already made plans to select its officers for our maiden voyage.

Opening day of the season found Gratz up against Bartram, but with our vigorous spirit and skill, we gained a 4-0 victory. Special mention should be given to Jack Larson, who pitched a no-hit, no-run game against Bok.

The drudgery of Argumentation will never be forgotten. Well shall we remember the weeks spent at the library after school hours and on week-ends; the days spent at the typewriter; hours spent re-reading and rewriting. But looking back, we know now that those weeks were not wasted.

At last, we began looking forward to our class trip to Washington. On May 18, 1948, most of us excitedly gathered at Wayne Junction a half hour before the expected time of departure. With the arrival of the teachers, our names were checked and we were all presented with large Gratz pins. At 7:45 our train pulled into the station and hastily and noisily we boarded special cars.

Of course, the trip was a hilarious one. Everyone was either eating, or singing, or chattering, mostly eating. While riding we were given our itinerary. At Baltimore, we left the train and boarded sight-

seeing buses, our means of transportation for the remainder of the day.

The tour began at the United States Capitol, where we attended the sessions of the Senate and the House of Representatives. From there we went to the Bureau of Engraving and Printing where we saw the manufacture of our national currency, postage stamps, bonds, passports, etc., then to the Lincoln Memorial where we took pictures and strolled around the grounds. About mid-afternoon we visited Mt. Vernon. Most of us spent our time exploring the grounds and buying souvenirs. Our last stop was the Arlington Cemetery where services were held in honor of the Unknown Soldier. After the singing of "America the Beautiful," Florence Asness placed a wreath at the Tomb, and we all stood at attention while a soldier played taps. This short dedication struck the solemn note of the day.

At 5:15 we boarded the homeward bound train, here to have an experience new to many of us, for dinner was served to travel-weary but happy Gratzonians.

Nine P. M.! We were back in Philadelphia; our wonderful trip was over.

High Seniors! How strange and unnatural the term sounded to us, for our three years at Gratz had passed so rapidly that they appeared to be but one. We had at long last taken our position as the leaders of the school.

We are looking forward to our Prom, Banquet, and Graduation. Dues are collected regularly. Our Record Book is taking shape.

Now after three years of diligent study and work, with fun mixed in, we are taking the big step toward future goals.

Class Sponsor

TO THE CLASS OF JANUARY 1949:

On a cold February afternoon three years ago when first we met in the auditorium of Simon Gratz High School, I was impressed with the friendliness, the sincerity, the kindliness of the eager, attentive group that was to be 41-49. From that first day, we began to plan for the happiest day of all, that day that is now so close, Graduation Day.

As this joyous day approaches, it is natural to pause and look back along the way you have come. Forty-one Forty-nine has done well. You have accepted your responsibilities and have given able, willing service to your school community.

Your school has been good to you, too. It has provided opportunities and training in arts, cultural and practical. Here you have formed friendships, and developed loyalties and understandings that are of much greater value than scholarship alone. Always you have kept the kindliness and friendliness that has made you such a distinctive class.

As you leave your school to take your place in a more adult world, take with you my wish for your great happiness. Build your life so that you will enjoy the pride and satisfaction of work well done. Deserve the loyalty of your friends, and command the respect of your associates.

In your struggle toward whatever personal goal you have set for yourself respect the rights and seek to understand the points of view of others. Meet your problems with courage and with honesty. Trust the kindliness and the friendliness of spirit that is 41-49. You cannot then fail to gain the full measure of happiness you deserve.

In my heart and my memories you will always hold a very special place. Congratulations to each of you upon your graduation. Class of January, 1949, your sponsor is proud of you and wishes you every happiness.

Sincerely your friend,
LILLIAN M. GRAF.

COMMITTEES

Our senior activities could not have been so completely successful without the capable leadership of the various committees.

The industrious Publicity Committee, headed by Judith Resnick, were able to obtain many ads for our Record Book.

There is no doubt that our Prom Committee, under the leadership of Joe Bogus, was nothing short of excellent. Besides obtaining the Old York Country Club for our prom we were able to have not only a good band, but a vocalist as well.

Marcia Seiderman and her committee presented us with a fine program for Class Day.

Could our Banquet have been more successful than under the leadership of Roosevelt Smith and his committee? This is one occasion that will linger in our memories for years to come.

PROM COMMITTEE: Ralph Marion, Doris Cardwell, Frances Helmus, Helen Yanovitz, Joe Bogus.

CLASS DAY COMMITTEE: Top Row: Ethel Rothman, Marcia Cooperman, Anna Cooperman, Edwin Hymovitz. Bottom Row: Elaine Snyder, Marcia Seiderman, Frances Mallin, Dorine Bacon.

CLASS PIN COMMITTEE

It was a great day when our class finally received their pins. After two weeks of anxious waiting, we crowded into Room 413 to be presented to Terry. Terry Lee had finally made his debut and the class of 41-49 had their mascot. This was the first symbol signifying that we were seniors of Simon Gratz.

We were all extremely proud to exhibit Terry, for we were seniors at last. Their eyes green with envy, the undergraduates gazed at us with admiration and longing.

We wish to express our thanks and sincere appreciation for the efforts put forth by the sponsor of 41-49, Miss Lillian Graf, Miss Laura McAllister, our S. A. Sponsor, and Sara Medzigian, our artist.

Thanks also to the tedious work of the Pin Committee under the capable chairman, Mildred Roth, our proud seniors sported their Terry Lee pins.

Farewell

WE, THE CLASS OF 41-49, have completed our high school careers. These three years have been profitable in many ways. As we look back now, we realize how all the details of school life form one complete picture. The knowledge we received, the teachers who assisted us, the clubs and teams in which we participated, our Students Association, all these helped make us more mature and capable of facing the world.

We stop but to begin—reviving fond memories of our high school days and striving to maintain the loyalty and integrity for which Gratz stands.

Together we talked of the fun we had
And told of the classrooms in which we were bad,
Still keeping in mind the work we had done.
We lift up our heads for the football games won,
And now as we think of the fun we will miss
We all realize high school was really a bliss.
